## Directions to the Walbran Valley via Port Renfrew

Take the West Coast Road toward Port Renfrew at the end of that road. From Victoria this drive takes about 1.5 hours. As you approach Port Renfrew you will encounter the major intersection of Deering Road on your right; this intersection is prominent by the large road sign directing you to Lake Cowichan at this intersection.

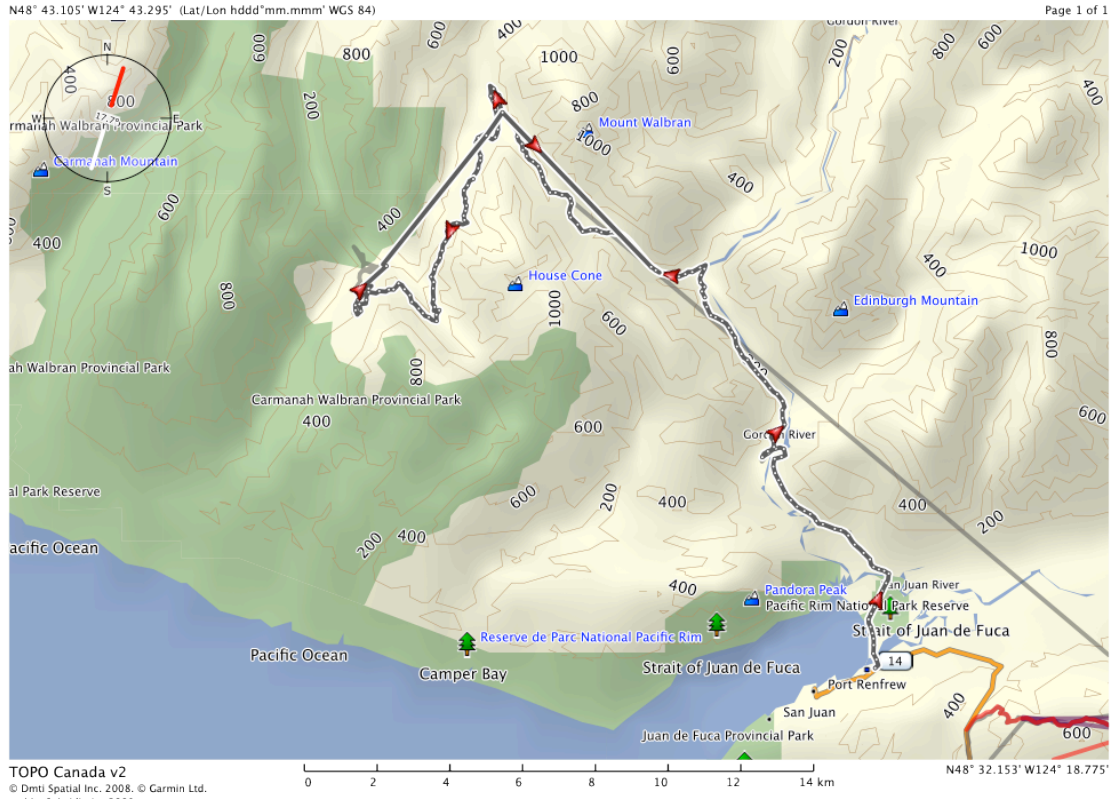

Stop, reset your trip odometer to 0.0 at this intersection, and proceed to the North along Deering Road. The 38.5 Km ahead of you will take about 1.5 hours more.
